WHEREAS, the Florida Interlocal Cooperation Act of 1969, Section 163.01, Florida Statutes, encourages and empowers local government to cooperate with one another on matters of mutual interest and advantage, and provides for interlocal agreements between local governments on matters such as transit services; and

WHEREAS, the Municipal Annexation or Contraction Act, Chapter 171, Part I, Florida Statutes, and the Interlocal Service Boundary Agreement Act, Chapter 171, Part II, Florida Statutes, recognizes the use of interlocal service boundary agreements and joint planning agreements as a means to coordinate public services such as building permitting and inspections.

NOW, THEREFORE, in consideration of the mutual covenants set forth in this Agreement, the receipt and sufficiency of which are hereby acknowledged, the City and the County agree a unified approach to transit services will result in a more efficient and cost effective method of service to all of the citizens of Sumter County and agree a need exists to maintain said service delivery in the following consolidated manner:

1. Service Delivery Agreement:

- a. The County shall serve as the single, unified point of service for transit services in unincorporated areas of the county and within the City. This service shall be known for purposes of this Agreement as the "Consolidated County/City Transit Services". The Consolidated County/City Transit Services shall provide the staffing and resources for all transit operations.

- b. The Consolidated County/City Transit Services will function and be funded as a Subdivision under Sumter County Board of County Commissioners.
  - c. The County shall be responsible for funding of the staff and operational costs of the Consolidated County/City Transit Services. Funding for the Consolidated County/City Transit Services shall be generated from farebox, grants, contracts, and other fees for services for transit purposes.
  - d. The County and City agree to prepare and adopt a unified transit plan.
  - e. The County will coordinate with City for future bus stops in City serviced by rapid transit and fixed bus routes.
  - f. The City will provide non-monetary support for grant applications for transit and may be necessary.
2. The County and City agree to resolve any dispute related to the interpretation or performance of this Agreement in the manner described in this section. Either Party may initiate the dispute resolution process by providing written notice to the other Party. Initiation of the dispute resolution process shall operate as a stay of the action which is the subject of the dispute.
- a. Notwithstanding the foregoing, in the event that either Party determines in its sole discretion and good faith that it is necessary to file a lawsuit or other formal challenge in order to meet a jurisdictional time deadline, to obtain a temporary injunction, or otherwise to preserve a legal or equitable right related to this Agreement, such lawsuit or challenge may be filed, but upon the filing and any other act necessary to preserve the legal or equitable right or to obtain the temporary injunction, the Parties shall thereafter promptly file a joint motion with the reviewing court or administrative law judge requesting that the case be abated in order to afford the Parties an opportunity to pursue the dispute resolution procedures set forth herein. If the abatement is granted, the Parties shall revert to and pursue the dispute resolution procedures set forth herein.
  - b. Within ten (10) days of the abatement order, the allegedly aggrieved party shall then effect the transmittal of a notice of conflict, in the form of a certified letter, to all governmental bodies involved in the dispute at issue. Upon receipt of the notice, which shall specify the areas of disagreement, the Parties agree to conduct a conflict assessment meeting at a reasonable time and place, as mutually agreed upon, within thirty (30) days of receipt of the notice of conflict.

- c. If discussions between the Parties at the conflict resolution meeting fail to resolve the dispute, within forty (40) days of the receipt of the notice described in subparagraph A, above, the Parties shall conduct a mediation in the presence of a neutral third party mediator. If the Parties are unable to agree upon a mediator, the County shall request appointment of a mediator by the Chief Judge of the Circuit Court in and for Sumter County, Florida. The mediation contemplated by this Section is intended to be an informal and non-adversarial process with the objective of helping the Parties reach a mutually acceptable and voluntary agreement. The decision-making shall rest solely with the Parties. The mediator shall assist the Parties in identifying issues, fostering joint problem-solving, and exploring settlement alternatives.
- d. If the Parties are unable to reach a mediated settlement, within fifty (50) days of the receipt of the initial notice of conflict, the parties shall hold a joint intergovernmental meeting. If the joint intergovernmental meeting does not successfully resolve the issues identified in the notice of conflict, the entities participating in the dispute resolution procedures described herein may avail themselves of any otherwise available rights, including the suspension of abatement of existing actions.
